Bikes Shipped in 2019*

*El Salvador to receive 500-600 additional bikes by EOY

BIKES NOT BOMBS

Using the bicycle as a vehicle for social change

GEARING UP FOR GROWTH

How you can take action to help us build a sustainable future

ACT: *Give your old bike a new life and work towards zero waste by donating it at the BNB Hub & Bike Shop*

- Your bike could empower a youth in Boston to rebuild and Earn-A-Bike, help provide jobs in our local bike shop and training center, or be part of a micro-enterprise project in Latin America, Africa or the Caribbean
- Visit bikesnotbombs.org/help-out/donate-bikes

ACT: *Help out on our Volunteer Nights or at a Container Loading where bikes are processed and loaded for shipment to our international partners*

- Volunteer Night happens most Thursdays from 7 to 10pm at the BNB Hub & Bike Shop where bikes are prepared for storage and shipment
- Container Loadings typically take place on Saturdays and Sundays 6 to 8 times per year at our BNB Warehouse, located at 10 Harvard Street in Dorchester
- No mechanics skills or experience necessary
- Visit bikesnotbombs.org/volunteer to find out more or contact Carl Kurz, Director of International Partnerships, at carl@bikesnotbombs.org

ACT: *Invite BNB to speak to your community group or workplace at a Lunch Brake or organize a tour at our Hub*

- Plan a corporate or community event to benefit BNB
- Hear stories from inspirational leaders, learn about upcoming events, and how to volunteer or collaborate
- Contact Angela Phinney, Director of Development, at angela@bikesnotbombs.org to discuss

ACT: *Shop or volunteer at BNB's retail Bike Shop conveniently located together with the Hub*

- The Bike Shop offers quality refurbished and new bikes, parts, accessories, and repairs. Every dollar spent at the shop is a dollar spent supporting BNB's local and international programs.
- Experienced mechanics can volunteer their time helping to build refurbished bikes. Contact Isabella Koen, Director of Bike Service & Education, at isabella@bikesnotbombs.org

ACT: *Organize and host or support a local spring or fall bike drive in your community*

- Bike drives bring in the bulk of donated bikes we collect each year that are instrumental in all of our programs
- Visit bikesnotbombs.org/bike-drive for more information or contact Eric Mearns, Bike Collections Administrator, at eric@bikesnotbombs.org

ACT: *Ride the 33rd Annual Bike-A-Thon on Sunday, June 14, 2020 (rain date June 28)*

- Participate in a fully-supported bike ride and raise money to support BNB's programs
- Ride as an individual or ride as a team with friends and family, and celebrate together with free food and entertainment at the after-party
- Visit www.bikesnotbombs.org/bike-a-thon for more information about the event
