How to read this cue sheet

- 2.9 Cumulative distance (in miles) at the turn
- Continue on road with different name
- 1.6** Leg distance (in miles) to travel until the next turn
-  Shaded rows are repeated between boxes
- (135) Numbered highways (state or US)
-  Indicates a very short leg. Make sure you keep your eyes on this cue sheet because you'll need to turn again very soon.

Follow these arrows

 This route has **yellow** paint for 3 miles, then **blue** until the rest stop, and then **white** the whole way back.
